

# Chief Michael J. Cannon

## Hunting Valley Police Department

### President 2020

Working with my fellow peers in the Cuyahoga County Police Chiefs Association has been one of my professional highlights. The interaction and information sharing within the CCPCA helped guide me as a Chief and as a law enforcement professional.

I am grateful to be given the opportunity to serve as the CCPCA's President in 2020. I am fortunate to have Board members with whom I can interact with and learn from. I promise to give maximum effort as the 2020 President and will do my best to utilize this opportunity to further the goals and reputation of the Cuyahoga County Police Chiefs Association.

One of the benefits of our Association is the influence we can have within our profession. We represent a large cache of law enforcement agencies and affiliates. My goal is to utilize this influence to engage with entities that have an impact on our ability to do our jobs to the fullest. I have seen firsthand how face-to-face communications can bring issues to the forefront so we can tackle problems together.

I am excited to serve as the President in 2020 and thank the Association and fellow Board members for the opportunity.

Sincerely,

A handwritten signature in blue ink that reads "Chief Michael J. Cannon". The signature is written in a cursive style.

Michael J. Cannon

Chief of Police/Village Administrator

Village of Hunting Valley
