

# Chief Kevin M. Wyant Moreland Hills Police Department President 2021

I consider this both an honor and a privilege to serve on the board as president of the CCPCA for 2021. There is no question that 2020 was unique for Law Enforcement across the country. As we forge ahead, I look forward to sharing ideas, reaching out to various disciplines, organizations and resources in the furtherance of the organization's mission:

*To perform and build up an official and mutual friendship between the members, to devise methods to suggest ways and means for the advancement of the police profession, to read articles and discuss police incidents and experiences that will be of interest to the association and to seek ways to improve the delivery of criminal justice to the citizens of Cuyahoga County."*

There will be changes made at Federal, State and Local levels for us to navigate. I firmly believe that training and communication is key to accomplishing these goals and expectations.

In addition, I have enjoyed the experience, friendship and camaraderie of fellow members who have helped me serve as a CCPCA Board Member and as Chief with the Moreland Hills Police Department.

Again, thank you for this opportunity to serve our law enforcement family.

Sincerely,

A handwritten signature in cursive script that reads "Kevin Wyant".
