

# Chief Kevin Nietert South Euclid Police Department President 2017

Welcome to the Cuyahoga County Police Chiefs Association (CCPCA). It is truly an honor to serve as the President of this organization and to have the privilege of representing the Police Chiefs of Cuyahoga County. As an organization we strive to improve the delivery of criminal justice to the citizens of Cuyahoga County through our shared experiences. Today more than ever it is important that we stay focused on service, justice, and fundamental fairness.

The challenges and uncertainty of policing requires the discipline of constant readiness for those moments an officer is thrust into circumstances that are beyond imagination. Because of the mental, physical, and emotional toll that this takes on our officers, it is equally important that we are mindful of the well-being of our officers and provide them with the necessary support.

I look forward to working with everyone to advance our profession, improve policing in Cuyahoga County and make sure we are supporting the physical, mental and emotional needs of officers.

Sincerely,
